

special edition: Cambodia

Annette just returned from a women's retreat in Cambodia where she helped staff a restorative getaway for 56 Kingdom Workers from across southeast Asia. The focus for many of these women is to help rescue, restore and retool women away from the sex traffic industry in Asia! Here are some of the highlights and comments from these precious women.

"I want to thank you for giving me the opportunity to attend this retreat. I was feeling very confused/unsettled/stressed by decisions to be made and the circumstances and implications of those decisions. This retreat has given me the time and space to sort through some of all that. More importantly, it has refocused me on God and encouraged/inspired me to deepen my roots and water them well before the "next step" comes. I feel like I have regained my foundation of Christ! All this has come at a great time for me. I am so grateful for the scholarship that provided for me to come and for the workers who gave so much love, care, and encouragement to me." ~ **American serving in Cambodia**

"Thank you soooooo much for your part in providing this beautiful space for me to be refreshed, loved, supported, and refocused... I have lived in Cambodia serving Jesus as a missionary for more than 13 years. I have never experienced anything like this.... I praise and thank God for you, for your sacrifice, for your thoughtfulness, love, prayer, and I pray that God will continue to bless you and use you as a blessing to others, as you have been to me." ~ **Australian serving in Cambodia**

"My spirit is lifted up through morning talks and small group time. This retreat is much beyond what I expected. I got one-on-one counseling and prayer time with the ladies. My questions were answered. All my burdens were laid down at the feet of Jesus... Now I can go back to serve with a joyful heart." ~ **Chinese serving in Cambodia**

"I feel so special through your caring, loving encouragement, and your beautiful gifts. Thanks for your hard work which allowed me to rest and relax during the retreat.. I'm grateful for the time to heal emotionally, to know myself more and more and to clearly know that I'm not alone." ~ **Cambodian serving in Cambodia**

"I'm thankful for the opportunity to meet Cambodian people and hear their ministries to oppressed women. I loved the gorgeous location. I don't get much time with other expats or Americans.... May the Lord bless you in your desire to bless others who are living in hard places." ~ **American serving in the Philippines**

This retreat was a celebration of God's kingdom workers. They arrived unsure and tired but they left heard and dancing. I was personally enriched by the speaker, prayer and life stories shared. It was a great partnership with Big Horn Ministries as we seek to impact workers who are impacting the world. We are so grateful to you who made this all possible!

We thank God for each of you and your partnership with us and BHM. We could never do this without you!

Prayer and Praises

Praise God for the way He brings pastors and missionaries to us for refreshment and for providing a safe place.

We Praise God for each of you and are grateful for how you bless us so we can bless others.

Please pray for Annette and I to walk humbly and intimately with the Lord each day and listen to his voice.

Pray for us to be sensitive to the Holy Spirit, have discernment and be safe people for the variety of folks that come our way as well as the ones we travel to see.

We Praise God for the tremendous outpouring of love and prayers for Spencer after his heart attack. His last check up with the cardiologist was two thumbs up!

Please pray for the Women that were at this retreat in Cambodia. Pray they will be able to continue their work from a place of fullness and intimacy with the Lord.

Please Pray for the Easter Service at Gunnison Comm. Church—Spencer will be preaching!

Please Pray for the pastors who we are coaching from a distance. It is always harder to do this by phone!

Serving Him by helping people take their next step,
Spencer, Annette Andrew and Kate
