

Another HOLT

In October I had the chance to help another young man fulfill a dream. We continue to partner with Hunt of a Lifetime Foundation to help youth 21 years and younger with a life-threatening disease or illness fulfill a hunting dream. It has become one of my favorite weeks of the year and a great way to minister to a family in crisis.

Luke is 21 years old and suffers from Muscular Dystrophy. Just a few years ago he was pitching for his high school baseball team and now is in a wheel chair. Not only did this put a huge smile on his face but also brought a few tears for his father. During the hunt we had the chance to share the gospel with both of them. But, as it turned out, both of them already knew the Lord. So, we had some great fellowship!

A Journey of Faith

We first met Brian and Lisa about 9 years ago. Brian and their son Tim also came on a HOLT hunt. On that hunt both Brian and Tim began relationships with Christ. Later, Lisa and other members of their family followed their lead. Tim, who had bone cancer, passed away a few years later.

Their faith has continued to grow and they are now both leaders in their church in Wisconsin. We enjoyed a week with them and were so encouraged by all that God is doing in them and through them. Please keep praying for this amazing couple!

Next Up...Cyprus

While I hold down the fort here at the Big Horn, Annette will be heading to Cyprus on Nov.4-17. She will be helping facilitate a women's retreat. Nearly 60 women who serve throughout the Muslim world will be attending this retreat. These women serve in some of the most difficult and oppressing places in the world. We are praying for this time, place, the teaching and counseling will be a breath of fresh air for each of them.

Please pray for safe travel for the team and each participant as well as the refreshment that each woman needs. Please also pray for good health and for God's Spirit to reign over the entire retreat.

FYI, you can now give online at www.bighornministries.org and click on "Get Involved"

We thank God for each of you and your partnership with us and BHM. We could never do this without you!

Prayer and Praises

Praise God for the way He brings pastors and missionaries to us for refreshment and for providing a safe place.

We Praise God for each of you and are grateful for how you bless us so we can bless others.

Please pray for Annette and I to walk humbly and intimately with the Lord each day and listen to his voice.

Pray for us to be sensitive to the Holy Spirit, have discernment and be safe people for the variety of folks that come our way as well as the ones we travel to see.

We Praise God for the Women's Retreat in Cyprus. Please pray God will minister to each of these dear women.

Please pray for Andrew and Kate to continue to fall deeper in love with Jesus. Both are doing quite well and we praise the Lord for both of them.

Please Pray for us as we continue to transition to being empty-nesters! Not sure we like it much!

Please Pray for the pastors and missionaries and their families who will be joining us this fall. Pray they will find the refreshment and input they need to continue to minister from a place of fullness!

Serving Him by helping people take their next step,
