

# *The Nicholl's Year End Update*

## 2019

It's been a great year for us with Big Horn Ministries as we seek to help people take their next step. From helping missionaries around the world to helping someone say "yes" to Jesus for the first time, many steps have been taken. Here are a few of the highlights!

*Nic took a step by placing his faith in Christ!*

*Annette helping these dear ladies take steps of refreshment in Indonesia.*

*Kate took a big step too! Moving from Ohio City to New York City to attend The King's College!*

*Many ladies went back to minister after taking steps of healing and rest in Ecuador.*
