

Greetings from cold and snowy Ohio City.

The firewood is quickly disappearing, but we are warm. We hope you are too, both in your homes and in your hearts. Here are some recent happenings with the Nicholls and Big Horn Ministries.

Spencer had the privilege of preaching the Christmas Eve service in Pitkin again. This little church up the valley from us provides a picturesque place to share the gospel.

Scott is one of three groups we have hosted in the last month. He is a pastor that came for 10 days of healing and care. What a blessing to give him a 'Mark 6:31' time and be able to pour into him. Please pray for Scott, his wife and their ministry.

Kate is now back in NYC at the King's College. We loved having our 'chicks' back in the nest over the holidays. But, alas, the nest is now empty again. Andrew and Kaya are in Fort Collins, CO and back to work. Kayla is working at a senior care facility, and Andrew is back working with CRU ministering to students at Colorado State University.

Impact through Partnerships

Next week we will be in North Carolina for training with **Samaritan's Purse**. This training will sharpen our continued ministry to SP's field staff around the world. This partnership has been a great fit for what we do with BHM. We are passionate about helping those workers on the front lines to continue to minister from a place of fullness!

Azmera (Azmera.net) is another organization we are partnering with. Azmera exists to impact women who are impacting the world; mainly through 4 day retreats of rest and renewal. Annette is helping minister to women through this platform around the globe. This has been a great fit for her. The next retreat will be in Romania.

God continues to open doors for us to bless these workers in the harvest who are making a huge difference for Christ all over the world.

Each of you make what we do possible. Because of your prayers and gifts we are able to be involved in so many people's lives. Thank you for the part you play. Thanks to several who have increased their giving, a few new partners and several that were able to start giving again, we are now in need of only another \$400/monthly to reach our support goal.

Thank you for your partnership with us and BHM.

Prayer and Praises

Praise God for the way He brings pastors and missionaries to us for refreshment and for providing a safe place.

We Praise God for each of you and are grateful for how you bless us so we can bless others.

Please pray for Annette and Spencer to walk humbly and intimately with the Lord each day and listen to his voice.

Pray for us to be sensitive to the Holy Spirit, have discernment and be safe people for the variety of folks that come our way as well as the ones we travel to see.

Please pray for the upcoming training we will attend in North Carolina, Feb 3-6.

Please pray for Andrew and Kayla in Fort Collins in their respective roles and Kate in NYC!

Please Pray for Pastor Scott and his wife, for unity and God to bless them as they seek to bless others.

Please Pray for the pastors and missionaries and their families who will be joining us this Spring, or we travel to visit. Pray they will find the refreshment and input they need to continue to minister from a place of fullness!

Please Pray for the remainder of our monthly support needs.
