

Delivery Ministry???

Yes! Our home church, Community Church of Gunnison, celebrated Easter this year differently as most churches did. We had “Easter Out of the Box”, complete with video, sermon notes, devotionals, wrist bands and even communion cups and wafers ‘to go.’

It was a great idea and we are thankful for church leaders who think ‘out of the box.’ We were able to deliver 11 boxes to folks who live out of town like us. It was a real blessing to be out of the house and see a few people from a distance. The time of worship was meaningful and quite comfortable from the couch! We have attended ‘Bedside Baptist’ a few times over the years, but this was the first ‘Sofa Service!’

Zooming

Like many of you, we have become familiar with Zoom meetings and other ways of remotely connecting with people. We have been using this also to continue our ministry. Here, Annette is teaching a bible study with Mother's of Preschoolers. Her message was titled **Hope is not Canceled.**

Marking Holy Week

We didn't have palm branches to wave and didn't throw our coats down on the ground. But we did mark the Triumphal Entry with a donkey. The carrots weren't even on a stick. But Delilah, our neighbor's donkey, really enjoyed the treats Kate fed her. No riding this donkey, but another great excuse to escape the lockdown!

We hope and pray that you are well and drawing near the Lord during this pandemic. We are hunkered down but healthy! We are joining many and praying that God will use this time to help those who have no hope, find their hope in Jesus. We pray this becomes the churches finest hour as we all find ways to minister to those around us both now and in the weeks and months to come! May God bless you richly as He has us.

We are especially grateful for you during this time. Your partnership with us continues to put wind in our sails and allow us to work for the sake of Christ!

Thank you for your partnership with us and BHM.

Prayer and Praises

Praise God for the way He brings pastors and missionaries to us for refreshment and for providing a safe place.

We Praise God for each of you and are grateful for how you bless us so we can bless others.

Please pray for Annette and Spencer to walk humbly and intimately with the Lord each day and listen to his voice.

Pray for us to be sensitive to the Holy Spirit, have discernment and be safe people for the variety of folks that come our way as well as the ones we travel to see.

Praise God for some technology that allows us to continue to connect and minister.

Please pray for Andrew and Kayla in Fort Collins in their respective roles.

Please Pray for Kate as she now studies from home and is missing the fellowship of friends and classmates.

Please Pray for the pastors and missionaries and their families that we will be trying to connect with remotely. Pray they will find the refreshment and input they need to continue to minister from a place of fullness!

Please Pray for God to bring beauty from ashes and for revival as a result of the Corona Virus.
