

Covering Covid

Like many of you, we have had to adjust to many things during this pandemic. We've had some cancellations and lots of rescheduling. We have all had to learn to be flexible. Which reminds me of the words from one of my favorite hymns - "Flex and Obey for there's no better way, to be happy in Jesus but to Flex and Obey!"

With Kate's college closing and moving to online, she has been home, which has been great! But, also meant we needed to help her move out of her dorm in NYC. So....

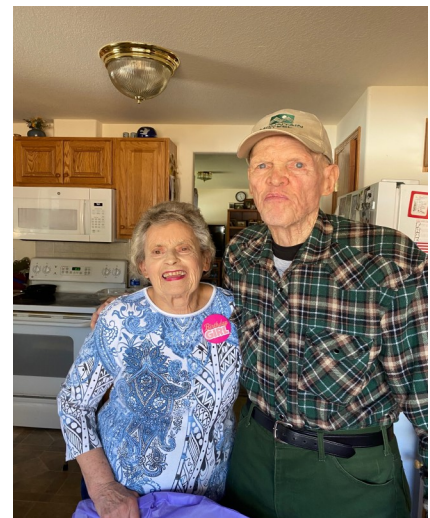

It was road-trip time!

One of the blessings of this isolation time has been increased time with family. We have loved NOT being empty-nesters again for a few months. We have also been able to spend more time with Spencer's parents—Dee and Dave. They live close to us and Dave has dementia. We are thankful to be here and help Dee, especially during this difficult time. Please pray for them as it becomes more difficult to care for Dave.

We discovered it was good time to be on the road! We managed to stop and see a old friend. The "Duke's" birthplace was near I-80. On Mother's Day we were able to visit Circleville, Ohio where Annette's parents are buried. This was the first time we have been able to see their grave stones.

Annette was able to attend an Azmera Board Meeting in June. Fortunately, it was in Colorado. They have been forced to hold their women's retreats Online. But, we are praying that it won't be long until they can minister in-person again.

Churches have started to reopen and this means that Spencer will be preaching again in the summer services in Pitkin and Sargents. We're not sure how well attended these will be, but praying for God to bring those He wants and to keep us all safe!

We are praying for you during these difficult times, that your hope will be renewed and you experience His joy and peace! We are especially grateful for your partnership with us which continues to put wind in our sails and allow us to work for the sake of Christ!

Prayer and Praises

Praise God for the way He brings pastors and missionaries to us for refreshment and for providing a safe place.

We Praise God for each of you and are grateful for how you bless us so we can bless others.

Please pray for Annette and Spencer to walk humbly and intimately with the Lord each day and listen to his voice.

Pray for us to be sensitive to the Holy Spirit, have discernment and be safe people for the variety of folks that come our way as well as the ones we travel to see.

Praise God for technology that allows us to continue to connect and minister.

Please pray for Andrew and Kayla as they raise support in order to work with Cru at CSU this next school year.

Please Pray for Dave and Dee (spencer's parents) as they deal with his dementia!

Please Pray for the pastors and missionaries and their families that we will be trying to connect with remotely. Pray they will find the refreshment and input they need to continue to minister from a place of fullness!

Please Pray for God to bring beauty from ashes and for revival as a result of the Corona Virus.
