AUGUST 2020

“For I will pour water on the thirsty land,  
and streams on the dry ground; I will pour out my  
Spirit on your offspring, and my blessing on your  
descendants” Isaiah 44:3

I read this the other day and thought how dry it  
seems in the land right now. We continue to ask  
God to bring revival out of this Covid situation we  
are all in. But, I was also reminded how much He  
has blessed us and our children. Kate is now back  
in New York City and preparing for another semes-  
ter at The King’s College. Her semester will be a  
combination of online and in person classes. While  
she was here in Colorado she got in some hiking,  
and did her first 14ers! (14,000 ft peaks)

Andrew and Kayla were able to spend a  
few weekends with us over the summer.  
They are now back in Fort Collins getting  
ready for a semester of student ministry  
with CRU. Their ministry will also be  
quite different then what was expected.  
But we are trusting the Lord to use them as  
they minister to students at Colorado State  
University.

We are so grateful for how God has  
poured out his Spirit on our kids and  
blessed them. We are praying they will  
walk humbly with Him and be used for His  
Kingdom.

In spite of Covid, we have had some missionaries come for a time of refreshment, although many had to cancel. We have had families from Turkey and Iraq. These are some dear friends that serve in northern Iraq that came for a short time!

Even though our summer was not what we expected, it still was full of opportunity to minister. Spencer preached in the small churches in Pitkin and Sargents again, and they were surprisingly well attended.

We are praying for you during these difficult times, that your hope will be renewed and you experience His joy and peace! We are especially grateful for your partnership with us which continues to put wind in our sails and allow us to work for the sake of Christ!

## Prayer and Praises

**Praise God** for the way He brings pastors and missionaries to us for refreshment and for providing a safe place.

**We Praise God** for each of you and are grateful for how you bless us so we can bless others.

**Please pray** for Annette and Spencer to walk humbly and intimately with the Lord each day and listen to his voice.

**Pray** for us to be sensitive to the Holy Spirit, have discernment and be safe people for the variety of folks that come our way as well as the ones we travel to see.

**Pease Pray** for Kate as she lives and studies in NYC; pray she will walk closely with the Lord and find good fellowship.

**Please pray** for Andrew and Kayla as they begin their semester working with CRU at CSU.

**Please Pray** for Dave and Dee (spencer's parents) as they deal with his dementia!

**Please Pray** for the pastors and missionaries and their families that we will be trying to connect with remotely. Pray they will find the refreshment and input they need to continue to minister from a place of fullness!

**Please Pray** for God to bring beauty from ashes and for revival as a result of the Corona Virus.
