

No retreating from Retreats!

That's right, some retreats have continued. We have canceled some international retreats in Eastern Europe and Iraq, but still found a way to minister to some Kingdom workers. Travel restrictions from COVID have left many missionaries stranded in their host countries or here in the states. Annette helped with Azmera to host a COVID compliant three day retreat for in Castle Rock Colorado which helped to refuel these ladies. Annette also helped with a MOPS leadership retreat in September!

Annette's small group from the Azmera retreat! They met in the pastor's office at a church outside of Denver! For security reasons Smiley joined the group!

CRU Staff Men's Retreat

The men from the Colorado State CRU team were also able to get away for some refreshment. Together with a dear friend, I helped host these guys for an elk hunt and some deep times of sharing. Of course, having Andrew with me was an extra blessing. They went back to campus knowing each other better and with a lot of good elk meat! (Andrew on the right)

We are praying for you during these difficult times, that your hope will be renewed and you experience His joy and peace! We are especially grateful for your partnership with us which continues to put wind in our sails and allow us to work for the sake of Christ!

Prayer and Praises

Praise God for the way He brings pastors and missionaries to us for refreshment and for providing a safe place.

We Praise God for each of you and are grateful for how you bless us so we can bless others.

Please pray for Annette and Spencer to walk humbly and intimately with the Lord each day and listen to his voice.

Pray for us to be sensitive to the Holy Spirit, have discernment and be safe people for the variety of folks that come our way as well as the ones we travel to see.

Pease Pray for Kate as she has moved home to finish her semester online. NYC proved to be a lonely place during Covid!

Please pray for Andrew and Kayla as they continue working with students at CSU.

Please Pray for Dave and Dee (spencer's parents) as they deal with his dementia!

Please Pray for the pastors and missionaries and their families that we will be trying to connect with remotely. Pray they will find the refreshment and input they need to continue to minister from a place of fullness!

Please Pray for all the attendees at these retreats, for Streams of Living Water to flow from them!
