APRIL 2021

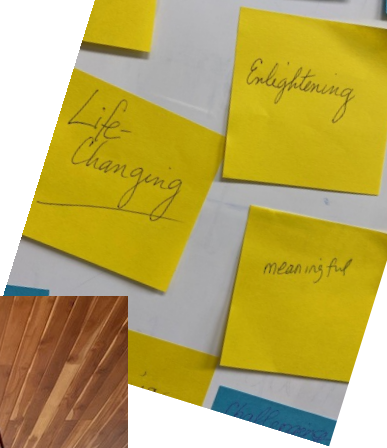

In this issue:

*Retreat in Central America

*CSU CRU retreat

*More Zooms

April 11- 21 - Annette staffed an Azmera retreat for kingdom workers in Central and South America . With 17 other volunteers, they welcomed 40 women to Jaco, Costa Rica. God worked mightily in their hearts. All were filled to the brim as they joined together in significant ways, giving their burdens and joys to Him. Each worker is now in a better place to serve. In their time together BEAUTY unfolded. The global workers came tired, weary, fearful, sad, frustrated, questioning, etc. A safe space was created for them to be heard, loved and adored. Small groups, prayer, worship, one on one counseling, teaching of God's Word, fun and more prayer were all apart of the transformation that took place in the attendees lives.

“Even though I haven't known you very long, I feel close to you and God has used you greatly in my life.”

-Azmera Attendee

College students again! Andrew and Kayla brought a group of students from CSU for a spring retreat. What a delight to help minister to these young ones along side of our son and daughter-in-law. After 15 years in campus ministry, we still have a soft spot in our hearts for students. We enjoyed hosting them, teaching them and having fun. I was asked to share with them one morning. We talked a lot about Divine Potential and being Masterpieces (Eph. 2:10). It was especially nice for them to be together and not required to wear masks!!

Zoom Again? I'm sure some of you are tired of communicating this way. However, we are thankful we have this method of doing devotions, praying with and for some of the International Staff in the Middle East. We are still unable to travel there, but at least once a week we can see faces and connect with the staff serving with Samaritan's Purse in some tough parts of Iraq and Syria!

We are grateful for your partnership with us which continues to put wind in our sails and allow us to work for the sake of Christ!

Thank you for your partnership with us and BHM.

Prayer and Praises

Praise God for the way He brings pastors and missionaries to us for refreshment and for providing a safe place.

We Praise God for each of you and are grateful for how you bless us so we can bless others.

Please pray for Annette and Spencer to walk humbly and intimately with the Lord each day and listen to his voice.

Pray for us to be sensitive to the Holy Spirit, have discernment and be safe people for the variety of folks that come our way as well as the ones we travel to see.

Pease Pray for Kate as she has moved to Fort Collins and is working and taking a semester off from college.

Please pray for Andrew and Kayla as they continue working with students at CSU and next month head on a summer project.

Please Pray the SP staff in the Middle East and the Women serving throughout Central America!

Please Pray for the pastors and missionaries and their families that we will be trying to connect with remotely. Pray they will find the refreshment and input they need to continue to minister from a place of fulness!
