

# Nicholl News

JULY 2021

## In this issue:

- \*Hosting Again
- \*Circuit Riding
- \*Still Zooming

Here's a few of the folks that have recently been with us for times of refreshing. We love seeing God meet them while they are here and fill their cups and return more ready for their next chapters!

Here is what one person shared with us and we wanted to pass on:

***“I came to Big Horn tired, discouraged and worn-out. I am leaving full of hope, joy and direction for the future. I arrived feeling like a step-child, but I am leaving as a Beloved son!”***

## Summer Circuit Rider

Annette continues to tease me that she is going to get me a horse and buggy to travel around and preach in the summers. I have been preaching at several churches around the area that don't have full-time pastors. These are 'summer-time' only churches. But together with the folks we have been hosting, and several memorials services, it has kept me on the run. It's time for us to practice what we provide for others and get a respite!

And yes, we are still connecting with folks from the Middle East through Zoom meetings and by phone. It's great to see faces and pray for those serving in these tough places. We are hoping that September allows us to travel back to Iraq and Syria and visit some of the teams we are caring for!

**We are grateful for your partnership with us which continues to put wind in our sails and allow us to work for the sake of Christ!**

*Thank you for your partnership with us and BHM.*

## Prayer and Praises

**Praise God** for the way He brings pastors and missionaries to us for refreshment and for providing a safe place for them.

**We Praise God** for each of you and are grateful for how you bless us so we can bless others.

**Please pray** for Annette and Spencer to walk humbly and intimately with the Lord each day and listen to his voice.

**Pray** for us to be sensitive to the Holy Spirit, have discernment and be safe people for the variety of folks that come our way as well as the ones we travel to see.

**Pease Pray** for Kate as she continues to live in Fort Collins and plans to study remotely this Fall.

**Please pray** for Andrew and Kayla as they are staffing a summer project for CRU in Juneau, Alaska!

**Please Pray for** the Samaritan's Purse staff serving in the Middle East and that we will be able to visit them in September!

**Please Pray** for the pastors and missionaries and their families that have recently returned from time with us. Pray they will continue to enjoy intimacy with God as they get back to their Kingdom work!
