

Happy New Year! We hope this finds you warm, covid free and ready for 2022! Our hearts are full with the many opportunities God has given us to serve people at the end of 2021. It was a busy season leading up to the holidays, so we are enjoying some much needed down time, although we have already hosted our first pastor and family this year. Here are a few highlights since our last letter.

Annette spent the month of November in Albania and Kosovo with Samaritan's Purse helping at Afghan resettlement camps. Here she is with team mates from Albania. One of the favorite photos is her playing cards with NATO soldiers in Kosovo. She had an incredible time ministering to refugees as well as her teams in both countries.

December found us busy hosting some wonderful folks. We had the privilege of helping Logan harvest a great mule deer. He was joined by his dad and brother and together with two dear friends we enjoyed helping him fulfill a dream. While he was here we celebrated his 2nd anniversary of finishing chemo and radiation. God met this family in a special way while they were here.

We only had a few days before hosting a pastor from Florida. God gave Scott and I five great days of fellowship, adventure and praying together.

A Candlelight Service??

I enjoyed doing the Christmas Eve service at Pitkin Community Church again this year. However, this year was a little different. Because of a blizzard and power outage, it was done by flashlight! Sort of a different candlelight service. The power and heat came on half way through the service!!

Thank you for your partnership with us and Big Horn Ministries. God has allowed us to minister to so many people in 2021. We couldn't do it without you! May He bless you richly in 2022!

Prayer and Praises

Praise God for the way He brings pastors and missionaries to us for refreshment and for providing a safe place for them.

We Praise God for each of you and are grateful for how you bless us so we can bless others.

Please pray for Annette and Spencer to walk humbly and intimately with the Lord each day and listen to his voice.

Pray for us to be sensitive to the Holy Spirit, have discernment and be safe people for the variety of folks that come our way as well as the ones we travel to see.

Pease Pray for Spencer's mom as she deals with some health issues.

Please pray for Annette as she prepares to head to Kenya in February for a retreat for missionary women.

Please Pray for the recent pastors that have come to us, for continued refreshment and to minister from a place of fullness.

Please Pray for the refugees scattered across the world and for God to use the crisis they are in to draw them to faith in Jesus.
