MARCH 2022

Annette is back home and my bachelor days are over! Yeah. Here are some of the highlights from the retreat in Kenya.

God entrusted the Azmera KENYA Connection Crew with 32 women serving throughout Africa.

The global workers quickly embraced one another as well as God's purposes for them in being there, allowing God to work in and through them. They were sent off with renewed vision, passion, and direction for the work to which God has called them.

For Annette, the retreat was enlightening! Her role as a counselor gave her opportunity to be a safe person and allow God to shed light on dark places in the attendee's lives as they met one on one. Serving this way was fulfilling and life giving.

Here's what a few of the ladies shared about their time at the retreat in Kenya.

"Wow! Thank you for the part you played in Azmera Kenya! You have impacted lives that are impacting lives. It is a ripple effect. Many of us tired, with heavy chains. Our time at the Azmera retreat has brought healing on many levels. Words are not enough to express my gratitude. Thank you!"

"Thank you for your obedient generosity in giving toward this haven retreat. God met me here. I've been overseas for 22 years with no furlough longer than 6 weeks, and this time was deeply meaningful. God opened wounds and showed me the hope of healing. You'll never know the impact on my life, my marriage, my family, and our ministry"

"Honestly, it is hard to connect with women in the US when I return to visit and attend Bible studies & prayer meetings. My experiences in Kenya have shaped & molded me to something different. I struggle with that. But when I come to an Azmera haven retreat, I feel at home. Thank you for your sacrifice & love for us on the mission field. It is awe-inspiring."

Thank you for allowing us to partner with Azmera in Kenya
It was reconciling, life giving and restorative for the global workers who attended

Thank you for your partnership with us and BHM.
