

Serving Servants

We have had a busy summer of hosting folks again. The mountains around us provide a perfect place for respite and refreshment. Coming off the front-lines of ministry is vital to longevity and something Jesus modeled for us. We call them “Mark 6:31” times. This summer we have hosted people from CRU, Young Life, Azmera and Mission Training International. What a privilege to help these folks decompress and get their cups re-filled.

Annette has served with Becca numerous times on retreats. She and her family came for a short visit.

Pulpit Time

I have completed my circuit riding time for the summer. (Annette continues to say I need a horse and buggy each summer) I enjoy preaching for these small summer time churches around the Gunnison area. But, I am also glad when I can hang up my boots at the end of the summer. This photo is from Pitkin Community Church last Sunday. My sermon was “How’s your hearing?” based on Jesus’ statement ‘He who has ears to hear, let him hear.’

On the Family Front

We recently helped Kate move to a new apartment in Fort Collins. She plans to graduate in December this year. She is excited for the next chapter and we are too!

Andrew and Kayla are also doing well and starting a new chapter. Andrew finished his time working for CRU in the student ministry at Colorado State in July. He started a new job working for English Language Institute that is headquartered in Fort Collins. He is enjoying working for this great organization that places English teachers around the world.

We too are shifting gears a bit into our fall routines. We will be doing retreats in Costa Rica and Iraq this fall as well as hosting missionaries here. Annette will continue serving with MOPS locally. For me, it means taking a few kids with disabilities hunting through Colorado Dream Hunts.

Prayer and Praises

Praise God for the way He brings pastors and missionaries to us for refreshment and for providing a safe place for them.

We Praise God for each of you and are grateful for how you bless us so we can bless others.

Please pray for Annette and Spencer to walk humbly and intimately with the Lord each day and listen to his voice.

Pray for us to be sensitive to the Holy Spirit, have discernment and be safe people for the variety of folks that come our way as well as the ones we travel to see.

Please pray that Kate will finish strong with her college classes and for Andrew to be affective in his new role.

Please Pray for the planning and preparations for the retreats in Costa Rica and Iraq.

Please Pray for Annette and she serves and mentors mothers of preschoolers and the kids and families I will be ministering to by hosting them on hunts.
