

Update from Colombia

Forty Kingdom workers gathered in Cartagena, Colombia from 6 countries to be refreshed and reminded of how loved and valued they are. It was a privilege to watch God bring together women and see them bond so quickly in 4 short days. The depth of connection, vulnerability, encouragement to forgive, and refreshment to continue serving Jesus was transformational. It never gets old seeing the ripple effect of these days. Often Annette continues to communicate and counsel with these women through WhatsApp and email. It's not only the women who attend that are changed but their marriages, children, communities and teams are as well. After every retreat, Annette comes home with a heart of gratitude from serving these kingdom minded women.

Update from the Homefront

These photos of recent visitors to Big Horn represent some of what God has us doing. At times, some of those we host are stuck and need help getting out of a rut. (although it was Spencer who actually got the truck stuck!)

Other times, just being in the mountains of Colorado, surrounded by silence and safe friends reminds us of the joy of the Lord. As always, we pray folks leave here with cups overflowing!

Blooming where you're planted

Sometimes it's hard to bloom and see fruit where God has us. The ground may seem rocky and dry. Even so, He may not be leading us somewhere else. But, when His time is right, He can bring beauty and lasting fruit when we least expect it. I was reminded of this when I took this photo a few days ago. This is a Barrel Cactus, which are common around here. Their bloom only lasts a few days and often only with one flower. A double barrel with multiple blooms in this case, was a reminder of how much God can do through us. And a reminder to pray for those who we host that they might bloom where they are planted. (John 15:5)

Thank you again for partnering with us. We are grateful for each of you and could never do all that we are doing without you!

Prayer and Praises

Praise God for the way He brings pastors and missionaries to us for refreshment and for providing a safe place for them.

We Praise God for each of you and are grateful for how you bless us so we can bless others.

Please pray for Annette and Spencer to walk humbly and intimately with the Lord each day and listen to his voice.

Pray for us to be sensitive to the Holy Spirit, have discernment and be safe people for the variety of folks that come our way as well as the ones we travel to see.

Please pray for the women who attended the retreat in the Columbia, to continue ministering from the overflow!

Please Pray for Spencer as he preaches in Pitkin and Sargents churches this summer.

Please Pray for the Kate as she begins raising her support to join CRU staff at Colorado State University. We are so proud of her and the desire God has given her to share Christ with students and see them grow in their faith!
