

Sermon on the Mount

I have the privilege of preaching in several churches each summer near us. Both the small communities of Pitkin and Sargents have gatherings in the summer. Once a summer, one of these churches has an outdoor service. What a beautiful setting for worship; an aspen grove tucked up in a small valley with blue skies above and comfortable lawn chairs! I spoke about how to store up treasure in heaven from Matt. 6:19-21. And, before storing up treasures, you must have a reservation for yourself and each of us must RSVP to God's invitation! I treasure these times we get with some wonderful people!

Lessons from Fishing

Several this summer have come a change of scenery and time to process life.

After hooking one trout and fighting it for several minutes, it finally tired out and turned onto it's side in surrender. I then removed the hook from it's lip and slid it back into the water. After several seconds it was revived and swam off. Eddie and I talked a lot about this. How we too will fight and struggle before we surrender. Once surrendered we find freedom and are revived. What a great reminder of life with God!

Beauty for Ukraine

We served with Brad and Anya in Russia about 20 years ago. Anya is from Eastern Ukraine, where her mother lived until the war started. Her mother was able to evacuate last year and now lives with Brad and Anya and their family in Texas. This was a chance for them to gather as a family, experience some beauty and quietness together. Our fellowship was rich as we ate meals together and took them on drives to see the mountains and wildlife.

Our hearts are broken for people like this that have lost so much because of the war. And we join them in praying for an end to the conflict and for God to use this for His glory.

Thank you again for partnering with us. We are grateful for each of you and could never do all that we are doing without you!

Prayer and Praises

Praise God for the way He brings pastors and missionaries to us for refreshment and for providing a safe place for them.

We Praise God for each of you and are grateful for how you bless us so we can bless others.

Please pray for Annette and Spencer to walk humbly and intimately with the Lord each day and listen to his voice.

Pray for us to be sensitive to the Holy Spirit, have discernment and be safe people for the variety of folks that come our way as well as the ones we travel to see.

Please pray for the folks we are hosting this summer. For them to continue to find the rest and refreshment they need.

Praise God for the opportunities Spencer has had to preach and share the gospel in Pitkin and Sargents churches this summer.

Please Pray for the Kate as she begins raising her support to join CRU staff at Colorado State University. We are so proud of her and the desire God has given her to share Christ with students and see them grow in their faith!
