

A Sweet Reunion

“Nothing could make me happier than getting reports that my children continue diligently in the way of Truth!” 3 John 4.

This was the verse that came to mind after getting to share a meal with Petya. We first met in Siberia when Annette and I served there. He was a student then, and I can vividly recall the night he gave his life to Christ. His faith grew rapidly and after graduating decided to join our staff team. A few years later he met Angela and they have never looked back. Still on staff with CRU, they now serve in Budapest Hungary.

We met in 1999 and what joy it brings us to see how the Lord continues to bless them and others through them!

How do WE refresh?

It has been another busy summer of hosting people, preaching and travel. I was asked recently, “You guys are always refreshing others, where do you find refreshment yourselves?” The first place we go to is the Lord, consistent times with Him and in His word. But, here is another place that seems to lighten the load. A hike in the mountains is hard to beat!

Coming in March 2024, a new Nicholl!

That's right! We found out recently that we are grandparents. And we are over the moon about it.

Andrew and Kayla are expecting! Would join us in praying for a healthy pregnancy, safe delivery and that God would even now be wooing this child from the womb to Himself?

Thank you again for partnering with us. We are grateful for each of you and could never do all that we are doing without you!

Prayer and Praises

Praise God for the way He brings pastors and missionaries to us for refreshment and for providing a safe place for them.

We Praise God for each of you and are grateful for how you bless us so we can bless others.

Please pray for Annette and Spencer to walk humbly and intimately with the Lord each day and listen to his voice.

Pray for us to be sensitive to the Holy Spirit, have discernment and be safe people for the variety of folks that come our way as well as the ones we travel to see.

Please pray for the folks we are hosting this fall. For them to continue to find the rest and refreshment they need.

Please pray for Annette as she begins mentoring Mother's of Preschoolers and prepares for some overseas travel to refresh women.

Please Pray for the Kate as she begins working at Colorado State University with CRU. Also, please pray for Andrew and Kayla on their journey as parents.
