

Nicholl News

NOVEMBER 2023

Fall has come and gone here in the high country of Colorado. As always, it was beautiful but didn't last long. As we near Thanksgiving, we're especially grateful this year for so many things. 1 Thess. 5:18 came to mind as we look back over the last several months.

As I write this, Annette is in Egypt! Another retreat took her there to refresh women who need their cups refilled. We **give thanks** that God has given us so many opportunities to serve Him and others!

We're also **giving thanks** for a special celebration we had with family. Annette turned 60 on Nov. 8. We were grateful to celebrate her with my mom, Andrew, Kayla, Kate and lots of other family.

We are also very thankful because on the same day we celebrated Annette, we celebrated something else.....

.....I was discharged from the ICU! Once again, we are **giving thanks** for great medical care! On October 18, after being on a fire call, (*I have volunteered on the local fire department for 17 years*) I had another heart attack. I was taken to a hospital about an hour away and had another stent placed.

We are still processing this with the Lord, but for now, we are **giving thanks** that He has more for me to do! I am doing quite well and hopefully have a few more laps of this race to run!

We are also giving thanks for each of you. Thank you for partnering with us. We are grateful and could never do all that we are doing without you!

Prayer and Praises

Praise God for the way He brings pastors and missionaries to us for refreshment and for providing a safe place for them.

We Praise God for each of you and are grateful for how you bless us so we can bless others.

Please pray for Annette and Spencer to walk humbly and intimately with the Lord each day and listen to his voice.

Pray for us to be sensitive to the Holy Spirit, have discernment and be safe people for the variety of folks that come our way as well as the ones we travel to see.

Please pray for my heart to heal completely and for me to keep running the race God has marked out for me.

Please pray for Annette as she travels back home and for all the women who were at the retreat in Egypt.

Please Pray for Kate as she continues working at Colorado State University with CRU. Also, please pray for Andrew and Kayla on their journey as parents. (It's a Boy!)
